## Guest/Info Mailbox Instructions

For ESI Systems

### Setting Up Your Guest Mailbox

#### Recording Your Greeting

1. From any station, press **PROGRAM**.
2. Press \* (star) and your mailbox number and press #.
3. Enter your **password** (by default, your password is your mailbox number) and press #.
4. Press **1** to record your greeting.
5. Press **1** to select Personal Greeting 1 and press #.
6. Press **1** to record your greeting and press **1** when finished.
7. Hang up.

### Programming a Virtual Mailbox Key on an ESI Phone

You can program a key on any ESI phone to indicate when there is a message in the guest mailbox you just setup. You can then also press the key to check messages. ESI calls it a Virtual Mailbox key.

#### To program a Virtual Mailbox Key

1. **Press and hold** down any **programmable key** until the phone starts talking.
2. Press the blue **VOICEMAIL** key and then enter the **mailbox number** using the dial pad.
3. Press the **programmable key** again.
4. The system should say this key is programmed as a virtual mailbox key.

### Checking Your Messages

#### To Retrieve Messages From A Station With A Guest Mailbox Key

1. Press the illuminated **Guest Mailbox** key.
2. Enter your **password** and then press #.
